The Department of Economics at UC Santa Barbara is the largest major within the College of Letters and Science, and is comprised of three majors:

**Economics, Economics and Accounting and Economics/Math**

Each year our department graduates approximately 600 students, and we attempt to gather employment data. The following data was gathered via survey and LinkedIn. For the graduating class of 2013, we were able to gather employment information on 65% of the class.

65% reported full-time employment or pursuing higher education*

50% are currently working in the ACCOUNTING profession.

1/2 of those students work with the Big 4

15% are working at IT/INTERNET/TECH companies doing jobs such as: Finance, Analyst Research, Sales, Account Manager

10% are pursuing an advanced degree in HIGHER EDUCATION including: LAW SCHOOL, MASTERS IN ACCOUNTANCY, ECONOMICS or FINANCE

For additional information about our program, and the career opportunities it offers, please visit the Career Connection office, North Hall 2119 or call 805.893.2824.

15% are working in the FINANCE/FINANCIAL SERVICES profession. Recent alumni were placed at: Barclay’s, Wells Fargo, US Capital Partners and Oracle.

10% are working in various fields such as: Marketing, Sales, Education and Real Estate

* Data was current as of May 2014
