

EMPLOYMENT FOR TAX SEASON 2010

**Randy Ondracek,
Ondracek & Co., C.P.A.**

We are once again looking to hire one or two accounting students to work in our office from now until about April 15, 2010. These are general office positions that include: greeting clients, answering phones, filing, word processing, faxing, coping, etc. There is an opportunity to learn how to use a tax preparation program, billing program and to assemble tax returns for client presentation.

We have a small, professional, family type of office. Hours are flexible. If someone is interested they can e-mail a resume to me at randy@ondracek.com, or fax it to 682-8025. Our office # is 963-6000.

Last tax season we hired three accounting students from UCSB. All three have graduated and moved out of the area. Wishing you a great New Year.

Thanks for passing this on to the students.

Randy Ondracek,
Ondracek & Co., C.P.A.
