

RECRUITING CODE

of the

Big 5 Professional Services Firms

The Big 5 Professional Services firms (the “Firms”) agree that our mutual objective is to provide graduating students with excellent career opportunities. As part of this objective, recruiting activities should enhance the educational experiences of the students. Students should have the opportunity and time to explore the varied opportunities available to them before making career or internship decisions. These goals can best be accomplished by the firms working in concert with the student accounting organizations, faculty and placement centers. To achieve these objectives, we have set forth the following recruiting guidelines.

The firms agreeing to this code are all offices of the Big 5 firms (the “Firms”) recruiting at the schools in a six-county area (includes Los Angeles, Orange, Riverside, San Bernardino, Santa Barbara and Ventura counties), regarding students interested in Audit, Assurance Specialty Practice Groups, Tax Consulting and Compliance.

1. GENERAL RECRUITING GUIDELINES

- 1a. The Firms prefer to use the placement center for screening interviews whenever practical.
- 1b. The Firms agree not to apply undue pressure as defined herein to accept any offer while the student is still in the interviewing process.
- 1c. The Firms agree that additional compensation benefits shall not be linked to signing deadlines, except for interns receiving full-time offers.
- 1d. The Firms agree to employ positive recruiting techniques, promoting their own firm’s strengths without commenting on other firms’ perceived weaknesses.

2. ACADEMIC PERFORMANCE

The Firms and the faculty will encourage students to maintain their current level of academic performance through graduation.

TIMING OF INTERVIEW AND OFFERS

3. FULL TIME POSITIONS -- MARCH THROUGH AUGUST GRADUATES

- 3a. The Firms agree to begin final round of interviews (or firm/office standard interview for determining offers) and making offers to March through August graduates no earlier than September 1 of the prior calendar year. These summer activities should not take on the form or appearance of formal interviewing.
