## This schedule is just an example and should be used as a guide.

For more information regarding course availability, please visit our website

http://econ.ucsb.edu/undergraduate/courses as well as viewing the UCSB General Catalog for course descriptions and prerequisites.

## **INFORMATION TO NOTE:**

-Consider taking **PSTAT 109 AND/OR ECON 10A** the summer before your first Fall quarter at UCSB to lighten your 1<sup>st</sup> quarter course load. DO NOT take both courses in the same summer session.

-Complete "Change of Major" paperwork in NH2121 during the quarter you are taking the final pre/prep for major course (typically ECON 10A)

-The **WRIT** course may be taken before or after declaring the full major

-The Economics and Accounting major requires **3 upper division electives**. Major electives must be broken down as follows:

1.) **Two** electives from **Area I AND** 

2.) One elective from Area E

Economics 199RA *does not* count towards the major.

\*It is not guaranteed that students will be cleared to take Econ 100B during the first quarter in the full major.
